

English Curriculum  
6th grade  
Semesters 2023 - 2024  
Teacher Shabana Zaman

In class 6 grade, around the age of 11, children usually have a good rhythmical memory and can learn a lot. It is also the age at which the beauty of the language can be cultivated which is possible by creating a space in which children experience the joy of learning a foreign language. The lessons are lively and full of variety.

Goals By the end of the sixth grade,

The children should be able to:

- answer simple questions about the text
- tell short sections of a story in their own words
- recognize and use present, past, and future forms of common verbs
- recognize the difference in sentence structure between English and their own language.
